

TROODI

OUR LEARNING PROGRAM PORTFOLIO

TROODI'S DIGITAL LEARNING PROGRAMS

Welcome!

It is nice to see that you are interested in our digital learning programs!

On the following pages you will find a complete overview of our English learning programs. Our portfolio currently includes more than 50 learning programs in nine different subject areas. Our team is constantly working on developing new learning programs for our users.

In this brochure you will first find an overview of our thematic clusters, followed by detailed information on each individual learning program per cluster.

If you have any questions about our current or in-production learning programs, please feel free to contact us.

Best,

Mona Markmann

 Watch trailer

BRIAN HEYDENRYCH

Trainer and coach for
communication and teamwork

OVERVIEW:

-  8 chapters
-  3 hours
-  English, German

DESCRIPTION:

Participants learn how to make the right decisions even under uncertainty. With the help of practical tools and methods, they train their decision-making capability, and strengthen their own intuition and their ability to successfully implement decisions even against resistance. This is a program for everyone, especially "decision-makers" such as leaders, project managers, or knowledge experts.

LEARNINGS:

- ✓ Developing decision-making competence and being able to make better decisions (under uncertainty)
- ✓ Psychological foundations of decision-making processes
- ✓ Tools and methods for rational decision making
- ✓ Methods to strengthen one's own intuition
- ✓ Communicate and implement decisions successfully
